

The map illustrates the spatial organization of U.T.R. 43, featuring several distinct functional zones:

- Zona Protejite Naturale**: A large area at the top left, outlined in red with diagonal hatching.
- Zona Industriala**: Located below the natural zone, containing symbols for power plants and industrial facilities.
- Zona Locuinte Individuale**: The central urban area, densely packed with small building footprints.
- Zona Locuinte Colective**: Several clusters of larger rectangular buildings, likely representing schools or administrative centers.
- Zona Protejite Turme Zootehnice**: A specific area within the residential zone, possibly for livestock breeding.
- Zona Protejite Catre**: Another designated protection area within the residential zone.
- Infrastructura**: A network of roads (solid black lines) and railways (lines with cross-ticks) connecting different parts of the territory.
- Other Features**: A prominent red circle with a dot in the center, a scale bar at the bottom right, and a north arrow pointing towards the upper right.
